Offer No. 2220252

Dear Mrs. Newby,

herewith we quote for the following laser system:

Item	Qty.	Unit	Art.-Nr	Description	Unit price €	Discount %	Value €
1	1,00		LH+.BASE	LightHUB+ Laser Engine Base Unit with 488nm/ 60mW Laser LightHUB+ Light Engine with up to 6 lasers Equipped with the following laser: - 488nm / 60mW diode laser Clean-Up filters for 488nm diode laser installed Diode lasers with direct digital full on/off modulation up to 150kHz and analog modulation up to 1.5MHz Beam efficiently coupled into a 2m long SM/PM broadband fiber with FCP8 output. Delivery including, power supply, mains cable, USB Cable and Windows based laser control software (OCC)	18.875,71	10,00	16.988,14
2	1,00	St.	LH+KIT488-100UPGRAD	LightHUB+ Power Upgrade for 488nm/100mW instead of 488/60mW LuxX488-100 laser instead of 488nm / 60mW.	692,86	10,00	623,57
Subtotal							17.611,71

Item	Qty.	Unit	Art.-Nr	Description	Unit price €	Discount %	Value €
Carry over							17.611,71
3	1,00	St.	LH+KIT445-100	LightHUB+ Upgrade Kit LuxX445-100 LightHUB+ Upgrade kit with 445nm/100mW diode laser	8.275,71	10,00	7.448,14
4	1,00	St.	LH+KIT515-100	LightHUB+ Upgrade Kit LuxX515-100 LightHUB+ Upgrade kit with 515nm/100mW diode laser	8.560,00	10,00	7.704,00
5	1,00	St.	LH+KIT594-100	LightHUB+ Upgrade Kit DPSS594-100 LightHUB+ Upgrade kit with 594nm/100mW DPSS laser	15.168,57	10,00	13.651,71
Net amount							46.415,56
plus 19,00 % USt. on						46.415,56	8.818,96
total amount							**55.234,52**

Payable within 30 days without discount.

Delivery time: 12 weeks ARO.

Delivery terms: EXW (ex works) Rodgau, Germany

Our general business terms at our website are valid (http://www.omicron-laser.de/english/about-us/terms-and-conditions.html).

With best regards,

Ralf Dietzel
